

# ANNUAL REPORT

2021

## LETTER FROM THE PASTOR

Dear One Hope,

Annually, we like to present you with a summary of some of the things we've accomplished together as a church in the previous year. Despite much going on in the world around us and a devastating hurricane here locally, 2021 was a year of great impact for the church! Without a doubt, this was only possible because of your generosity.

Your faithfulness, in giving and serving, allowed us to make a difference locally, nationally and globally. Last year, we planted new churches with ARC and supported our local ministry partners, as well as missions abroad. In addition, when an opportunity to purchase a permanent facility for One Hope arose, we were ready! And when hurricane Ida hit, we were mobilized quickly to help those in need.

Together we've been able to touch thousands of lives with the Gospel over the past year. It humbles me and excites me to see all that God has done through our church, and I believe the best is still yet to come!

Sincerely,

*Josh Canizaro*
